Heb_2:12 Saying, I will declare thy name unto my brethren, in the midst of the church will I sing praise unto thee.

As I write this we are 2 days from the end of 2021. A year of blessing and challenges. A year of joy and tears, but most of all a year of serving the Lord. Fear is an overwhelming attitude and ammunition in our society which keeps many from attending church.

We had our bout with Covid in September which affected most of our household. It put my wife and I down for two weeks straight. This was the only period we have canceled services for our church as most of our church members were sick. We were live streaming our services before this and continue to do so on our website and FB page.

While still recovering from covid a dear friend of ours, my first ever soul winning partner from over 30 years ago, passed away from cancer. He had asked me to preach his funeral. This was a hard service but a deep honor. God allowed us to sow seeds of the gospel with some there who were not in fellowship with the Lord.

We were blessed with our son Stephen marring Ashley on Oct. 9. It was a beautiful and godly day. They are coming to our church for which we are

very grateful.

We then began our Camp Meeting 13 October and God gave us miraculous strength though we were still weak from Covid as well as help from some who came to the wedding and stayed for the meeting.

It was truly a working meeting. The exterior of the building was painted. The interior was sheet rocked all the while holding morning and evening services and a day tour to Sandy Creek. The Hicks family, Hardy family, VanVoorst family, Aaron Hinson family, Br. Mike Smith, Pineda family, Lockhart family, Carver family, Novoty family, Kresak family, Kidman family, Br. Caleb Underwood, Br. Lamont Wallace, Br. Justin Smith and even the newly weds all worked on the building. It was amazing to see the progress! We had 52 attending with 7 preachers who all preached for us! The altar was dirty with sheet rock dust but was still used in the meeting.

Br. Mike smith came back for a week in November to finish mudding the sheetrock. He is a blessing and we greatly appreciated him preaching as well. We are ready to paint as soon as we can work the time in our schedule. Most of the sheetrock as well as shoe molding, yet to be installed, was donated by Chapel Street Baptist Church, Landis, NC.

Our family continues to be faithful in helping with music and every area of the services as well as inviting folks to church. I work most week days to provide for our family.

My wife and I are visiting and communicating with a couple who need to be in church.

We continue to pray for laborers for the harvest here. Thank you for praying for us on this battlefield!
