1Ti\_3:15 But if I tarry long, that thou mayest know how thou oughtest to behave thyself in the house of God, which is the church of the living God, the pillar and ground of the truth.

I praise God for our faithful family here. Hannah is faithful in playing the piano and singing specials. Stephen plays the bass and runs the live stream in services. JD leads the music as well as singing specials and Annabelle helps greatly in the music and cleaning of the church facility. My wife selflessly prepares most foods for any special events as well as leading the food planning, preparation and serving for the Camp Meeting.

Our 2020 Baptist Preservation and Church Planters Camp Meeting was a tremendous success. We had about 47 attending with 7 preachers and multiple states represented. Many sermons were preached and the altar was used as was tremendous times of fellowship, encouragement, and doctrinal discussion (Baptist Round Table). We were able to take a tour of the Trail of Faith, in Valdese, NC. Facilities of the Waldensian including the cave where they worshipped in hiding have been rebuilt telling the story of their continuation through the Dark Ages of Catholic persecution.

The pews in our sanctuary left little room for outside aisles and right before Christmas I saw

## Baby Grand Piano!

an ad for some shorter cushioned pews. We were able to purchase them and get them moved in by the first of the year. We also sold the old pews and put the money towards the building repairs.

My wife has been a prayer warrior and she had been praying for something of which I was not aware—a baby grand piano! She showed me an ad online for one and I suggested she see if they would donate it. Oh me of little faith for I doubted they would. The lady who owned the piano was in her 70s and her parents had bought the piano for her when she was 14. She checked out our church online including watching some services and not only did she donate it but refused to sell it to someone else who offered full asking price, saying she wanted to donate it to a church! I could never have imagined how good it would look or sound. Praise the Lord!

About two years ago our

family was involved in helping a therapy program using horses for mental and physical handicapped children. A girl from another family had been there when we were and unknown to us in April their family was looking for a church. The woman running the horse therapy program recommended they check out our church though she had never been herself. Praise the Lord the Thompson family has now been attending for over a month.

The burden for souls, not just saved, but added to the church, grows and for this we are grateful. Future church plants continue to be in our vision. We look forward to the adding to this body that we may plant others from here as well!

Thank you for praying for us on this battlefield!

**GOD IS ALWAYS GOOD!**
